

All around was an irritating blur  
My luck just keeps running out  
Won't my angel just throw me a break now  
I let the years irresponsibly pass by  
And now there's a clock on my life  
My luck just keeps running out  
Won't my angel just throw me a break now

### Chorus

You were waiting for the close  
Your dreams had all but disappeared  
My luck just keeps running out  
Won't my angel just throw me a break now

Em Am  
And then he came right to me  
Em Am  
Making comfort so clear  
Em Am  
That little feeling I had at night  
Em Am  
He said I'm gunna die here

C Em  
You went to sleep with the promise  
C G  
The ones you love are all near  
C Em  
That nervous feeling you had at night  
C Em C C/B Dm Am G  
You never let it get you down (x 4)
