(Intro): G x 4

G Am7  
In my mind I've made a collage  
D G  
Of all that I know about you  
G Am7  
I guess my synapses have filled all the gaps in  
D G  
With things that I hope will come true

Am7 D G  
I've taken liberties here, I guess  
Am7 D Em  
Imagining you as you watch me undress and we'll  
Bm7 Em  
Talk about when we get older  
Bm7 Em Am7  
Map the stars in the freckles on your shoulders  
Am7 D G  
So I can get home  
Am7 D G  
So I can get home  
G  
To you G G G

G Am7  
In my notebooks I've written names  
D G  
Yours and mine and ours  
G Am7  
Concentration collapses, I watch the time lapse  
D G  
As I think about you for hours  
Am7 D G  
Like the way you'll say my name out loud  
Am7 D Em  
And things you'll find out when no one is around and we'll  
Bm7 Em  
Talk about when we get older  
Bm7 Em Am7  
Map the stars in the freckles on your shoulders

Am7 D G  
So I can get home  
(talk about when we get older/map the stars in the freckles on your shoulders)

Am7 D G  
So I can get home  
(talk about when we get older/map the stars in the freckles on your shoulders)

G  
To you  
G G G
