My Love My Cigarette © 2009 (4/4; 144 bpm; Key of F)
words and music by James Newlin

Keyboard Intro (play F, hear recording for rhythm)
Intro F x 4 bars

Verse 1
F Am
What do you think when alone
F Am
Do you dream about how you like to be alone
F Am
And shaping it up to call it your own
Edim7 Gm
But you're locked in fear
F Am
They don't want you to go anywhere
F Am
You better not divert your mind or have a care
F Am
The world was set up without having you there now this
Edim7 Gm C
This change is near

Prechorus
Bbmaj7 A7 Dm
Fire is burning between
Bbmaj7 A7 Dm *Bbmaj7 A7 Dm*
Fingertips but what does it mean
Bbmaj7
What does it mean?
A7 Dm (hold Dm)
Well do you know?

F x 4 bars

Chorus
F *A*
My life my love my cigarette

Dm
I know it's time
Gm
For you to go lone
Though I don't ever want to

Verse 2
She set off out on her own
Telling him now that she's on her own
And leaving her mark on that life for one now that
Mind's appeared
They couldn't tell her to go here or there
She wouldn't have heard them or even cared
Remember that night with that flicker stare
That's how we're here

Prechorus
Chorus

Bridge:
Gm (2 bars) Edim7 (2 bars)

Prechorus
Chorus
Outro (same chords as Chorus)
